

DECK HANGER

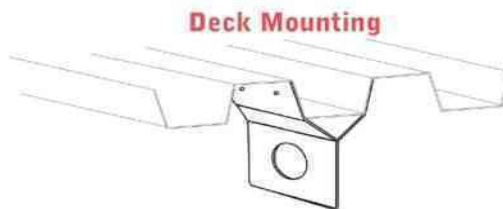

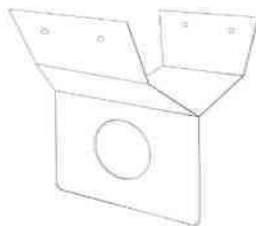

The Rough-in Ready Deck Hanger is designed to replace conventional mounting methods that would have included an intensive strut system. The Rough-in Ready Deck Hanger can also be used to mount just about anything that you need to suspend from the deck like fixtures, signs or even to support cable runs. This product is UL listed to suspend material from the deck of up to 100 lbs. with 4 TEK screws. We are not just a product, we are a solution!

1. Mount Deck Hanger to roof decking.

2. The Deck Hanger can be used to mount just about anything that you need to suspend from the roof decking.

Allowable Hanger Loads				
Fastener		Quantity of Screws	Deck hanger thickness	
Diameter	Point		22 gauge	20 gauge
#8	2	4	239.6 lbs	278.5
